A Message from Rick & John

As principals of R.J. Pacific, we really appreciate this opportunity to introduce ourselves to you.

We are a full service and widely diversified general contracting firm. We have a combined 60 years of professional contracting background and experience. We currently serve the greater San Francisco Bay area.

Our goal on all of our projects is to provide the highest quality of professional craftsmanship along with meeting or improving on our customer's completion time and financial goals.

Integrity is the centerpiece of our relationship and our customer's best interests are at the forefront of our efforts.

Sincerely,
Rick Alexander
